## SPEEDOMETER RECALIBRATION DISCLAIMER

### Agreement

Whereas, the undersigned (the Client) has requested that eTech perform the work and service on an odometer/N.V.M. (Non-Volatile Memory Chip) for the vehicle.

Whereas, State and Federal Laws specifically prohibit the tampering or alteration of any vehicles odometer or N.V.M. chip system so that the vehicle indicates a mileage figure different that is actually the case.

Whereas, State and Federal Laws provide for significant damages including the right to attorney fees for any illegal tamper or alteration of vehicles mileage reading.

Whereas, in many instances, given the most recent computer technology, it is impossible for eTech to accurately determine the actual mileage of a vehicle, an instead eTech must rely upon representation as to actual mileage provided by the client in order to accurately reset and / or repair the odometer / N.V.M. chip system on vehicles.

In consideration of the premises above, the parties herby agree as follows:

① The Client represents and warrants that the actual mileage on the following vehicle is:

Mileage: \_\_\_\_\_

VIN: \_\_\_\_\_

② The Client agrees to indemnify, defend and hold harmless eTech and its employees, representatives, officers, agents and assigns from any and all claims, actions, cause of actions, demands, rights, damages and attorney fees relating to or arising out of eTech work on the odometer/N.V.M. system.
